Physical Science

Three Ring Binder
Notebook Paper
Pencils
Blue/Black Ink Pens
Ream of Printer Paper (any color)
Scientific Calculator (TI-83 or above)
Composition notebook for lab notebook

Chemistry I

3-ring binder or at least 1 ½ inch space in a binder where you combine subjects
Loose-leaf paper
Pack of Quad Graph Paper
Blue or black ink, pencils
1 two-pocket folder with 3 holes punched on the left side to be placed inside their 3-ring binder
Calculator (TI-83 or above)

Chemistry II

3-ring binder or at least 1 ½ inch space in a binder where you combine subjects
Loose-leaf paper
Blue or black ink, pencils
two-pocket folder with 3 holes punched on the left side to be placed inside their 3-ring binder
Calculator (TI-83 or above)
Two books will be read over the semesters.

AP Chemistry

3-ring binder or at least 1 ½ inch space in a binder where you combine subjects
Loose-leaf paper
Pack of Quad Graph Paper
Blue or black ink, pencils
1 two-pocket folder with 3 holes punched on the left side to be placed inside their 3-ring binder
Calculator (TI-83 or above)

Physics

3-ring binder or at least 1 ½ inch space in a binder where you combine subjects
Loose-leaf paper
Blue or black ink, pencils
Calculator (TI-83 or above)
Pack of Quad Graph Paper
